### Wake Up Missing Kate Messner

"Kate Messner's new novel, *Wake Up Missing*, has all the qualities you want in a thriller: deceit, science taken to the extreme, and characters that you root for – especially when it looks like there is no hope. Messner has taken two very prominent issues ripped from the headlines, and combined them into a fast paced cranial feast as she explores concussions and gene therapy."

### Wake Up Missing - Kate Messner

*Wake Up Missing* by Kate Messner is an excellent thriller. The story starts when Cat is seeking medical attention for a concussion whose effects have been haunting her life for months. She convinces her parents to send her to a summer camp of sorts, where two Doctors, Dr. Ames and Gunther, have facilities specially designed to treat patients with brain injuries.
